

SUPPORTING OUR MILITARY, VETERANS, AND THEIR BELOVED PETS SINCE 2005

Guardian Angels for Soldier's Pet is an ALL Volunteer 501c3 nonprofit organization supporting the men and women (active duty and veterans) of the United States Army, Marines, Navy, Air Force, Coast Guard, National Guard, Reserves, and their beloved pets to ensure the pets are reunited with their owners following a deployment to harm's way (combat, peace-keeping or humanitarian mission) and where resources are available with various emergency hardship type situations.

We are a national grassroots organization with volunteers throughout the country dedicated to establishing a network of foster homes to care for these beloved pets until the pets can be reunited with their owners, assisting military families with a deployed loved one, and veterans in various emergency hardship pet related situations.

How We Do It

Guardian Angels for Soldier's Pet has a national network of potential foster homes who are everyday people who have agreed to open their homes up to caring for a soldier's pet. Besides assisting those needing a temporary pet foster home due to a deployment or emergency hardship, we also assist in emergency boarding needs, emergency vet care, and other pet care related expenses needed by pets in our foster program through our Military Pet Assistance fund.
