

# Military & Veterans Pet (MVP) Sanctuary

## Phase I

- Purchase property (*closed on June 17, 2010*)
- Move National Headquarters (*complete as of September 1, 2010*)

## Phase II (*current phase*)

- Prepare land for pet care facility (i.e., septic, water, electric, slab)
- Obtain building materials for facility
- Erect building and complete interior work
- Set up individual areas allowing our "guests" to enjoy a secure area directly from their suite
- Set up outside fenced play area for our guests to socialize and play together in a supervised environment

## Phase III

- Build covered pavilion for future "on-site" events honoring our active military, veterans, their families, and beloved pets
- Designate area to honor our military and veterans for sitting and enjoying the beauty of the surrounding area
- Full landscaping with parking areas, circular drive to enter and exit the sanctuary property

## Phase IV

- Military and Veteran pet cemetery for the military and veterans beloved pets who are waiting at the "Rainbow Bridge"
- Other improvements to provide additional support to our military, veterans, their families, and beloved pets
